Lemon Grove-Spring Valley area voters will atempt to sift through the pros and cons of the high school bond issue this week before going to the polls next Tuesday to approve or disapprove a $6 million bond to update facilities in the Grossmont Union High School District.

Nineteen election precincts have been established in the Lemon Grove-Spring Valley area for the balloting which will run from 7 a.m. to 7 p.m. The precincts will be staffed by 57 volunteer area residents.

The bond election has resulted due to action taken by the governing board of the district at its June 5 meeting. At that time, the board decided that it was faced with a crisis it could not handle unless provided with additional funds. The defeat of the April bond election was tabbed as the source of many of the local district's problems.

The board of trustees in the districts has cited many objectives for the use of the neded funds with emphasis placed on the following: provide additional housing at Helix, Monte Vista, Mt. Miguel, and Granite Hills; achieve major remodeling at Grossmont High; update science and laboratory facilities at El Cajon, Mt. Miguel, and El Capitan; major maintenance problems at Monte Vista, El Capitan, and Mt. Miguel; matching funds for the completion of technical corp buildings at Santana High; making a portion available for use in the early 1970's to construct the ninth district high school.

Passage of the bond issue will require a 66 per cent vote of approval. In the April bond election, the bond fell shy of passage with only a 61 percent 'yes' vote. The Registrar of Voters has estimated it will cost the taxpayers approximately $18,000 to hold the election.

According to figures released by the District, the only school not in danger of an over-crowded condition in the next two years would be El Capitan.

Mt. Miguel High is faced with the most serious student population problem according to the released figures. The present capacity in permanent buildings at Mt. Miguel is 2,188 students, while current enrollment at the Spring Valley school is 2,652. Expected enrollfent for next year will bring the population to 2,699 meaning that in 1969-70 there will be 511 unhoused students at the local high.

Passage of the bond would provide Mt. Miguel with funds to repair multi-purpose courts on the campus. Library and science facilities at Mt. Miguel would also be updated.

Monte Vista's population problem isn't quite as serious, with an excess of 290 students expected by the 1969-70 school year. Current enrollment figures total 2,040 while the facilities were designed to handle 1,809. Monte Vista would also receive funds for the planting of exposed banks to stop erosion. Science facilities at the school would also receive aid from the passage of the bond.

Proponents of the bond passage estimate the additional cost for homes valued at $20,000 will be approximately $1.50 for the first year, and graduating through a five year period to a possible $3. The maximum yearly increase will be reduced in subsequent years as bonds on Helix, El Cajon Valley, and Mt. Miguel are retired.

The Governing Board made its decision to borrow the money on a private bond instead of through the state building program because of the lower rate on private bonds.

School officials have indicated that failure of the bond issue to pass this time would cause double sessions at all the high schools in the district within three years, along with boundary changes which would cost residents more in transporting their children to and from the schools. They also contend that inadequate facilities could cause an inadequate education.

Col. Clayton To Be Installed As Chief of Military Order

A prominent area resident, Lt. Col. Thomas S. Clayton, is to be installed Friday as Commander in Chief of the international armed forces officers' organization, Military Order of World Wars.

The installation will be at MOWW's 47th Annual Convention at the U.S. Grant hotel. Speaker at the banquet will be His Eminence, Francis Cardinal Spellman, Archibishop of the Roman Catholic Diocese of New York, and Military Vicar of the Armed Services.

MOWW officers will present Cardinal Spellman with the group's Distinguished Service Award at the banquet. The award is made for patriotism and service to the military establishment.

Col. Thomas S. Clayton

Col. Clayton, who maintains homes both in Detroit and on Mt. Helix, has several local connections. He is active in the Lemon Grove Rotary Clnb, and is a member of the L. G. Chamber of Commerce where he represents Lemon Grove's Lincoln Finance, the community's oldest consumer credit firm. Clayton is president of Lincoln Finance.

He is also a member of the L.G. Mens' Club.

Col. Clayton was a volunteer in WWI and served in WWII in England at Banking Headquarters ETO. He worked with the Bank of England, the British Treasury, and the British Foreign War Office during his tour of duty.

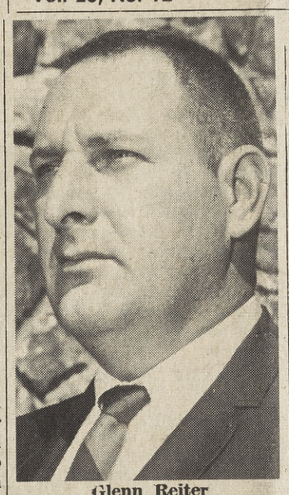
He became a member of MOWW in 1945; was elected commander of the Detroit chapter in 1947 when Admiral William Standley was MOWW national commander in chief. Col. Clayton was elected department commander MOWW, State of Michigan; served on the national general staff for five years, and was elected junior vice commander two years ago. Last year, in San Juan Puerto Rico, he was unanimously elected senior vice commander.

Cardinal Spellman

In September, he was elected as judge of Freedoms Foundation and will spend a week at Valley Forge next month.

More than 500 members, and their wives, will participate in the MOWW Convention which closes Saturday.

It opened Monday with a reception given by the La Jolla Chapter of MOWW. Tuesday was a free day, and on Wednesday, Lt. Gen. S. R. Larsen, Deputy, Continental Army Command addressed the group at Admiral Kidd's Officer's Mess.



Glenn Reiter

New Water Dist. Head Announced

San Diegan Glenn Martin Reiter, 32, has ben named as the successor to Harry Baker as the manager of the Otay-La Presa Water District which serves the Lemon Grove-Spring Valley area.

Reiter steps into the post following five years of leadership by Baker. The former asst. Project Engineer of the Helix Irrigation District took over his new post last week.

He also occupied two posts with the City of San Diego, including that of Utilities Planning Engineer and also a post in the Engineering department.

The new manager is a graduate of Northwestern University, Evanston, Illinois, with a B.S.C.E. majoring in Sanitary Engineering.

Riska Scores High on Test

Bruce Riska, son of Mr. and Mrs. Victor D. Riska, 3281 Massachusetts ave., Lemon Grove, has been awarded a Letter of Commendation for his performance on the 1967 National Merit Scholarship Qualifying Test.

Matadors Shutout Monarchs

Mt. Miguel threw up a stone wall defense to go along with the passing arm of veteran Jerry Lowery to give the Matadors an impressive 20-0 victory over archrival Monte Vista.

It was the first Grossmont League tussle between the two local squads with Mt. Miguel playing host to a strong El Capitan team next Friday while the Monarchs travel to Granite Hills.

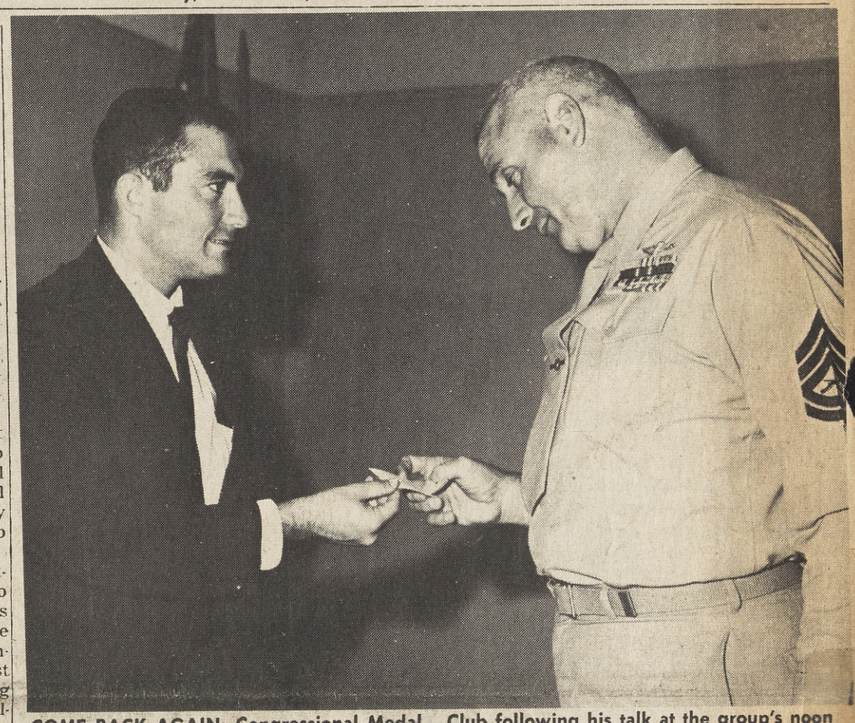
Mt. Miguel's defense limited the Monte Vista attack to a little over a hundred yards for the entire game, with the deepest Monarch threat coming at the close of the first half, with the victors stopping a MV drive near their goalline.

Lowery tossed a 28-yard scoring aerial to Bruce Johnson midway into the third period, and the talented Matador thrower hurled two more six-pointers in the final 15 minutes. Johnson and Gary Cooper were on the receiving end of those passes.

Local Woman Head Of Hospital Event

Auxiliaries of four local hospitals, Grossmont, Edgemoor Geriatric, Kaiser Foundation Hospital of La Mesa, and Heartland Hospital of El Cajon will take part in the annual Pink Ladies Days on October 25, 26, and 27 at five stores of a San Diego department chain.

Pink Lady Days chairmen from this area are: Mrs. Edward Kieffer and Mrs. Ralph Boyle, Kaiser Foundation Hospital; Mrs. Harry Griffen of Lemon Grove, Grossmont; Mrs. Rex B. Udell and Mrs. Frank Awes, Edgemoor Geriatric, and Mrs. J. W. Rusnell, Heartland Hospital.



COME BACK AGAIN: Congressional Medal of Honor recipient Jimmy Howard receives a membership card from Norm Hutsell, vice-president of the Lemon Grove Men's Club following his talk at the group's noon luncheon last Friday. Howard's talk centered around the topic of Vietnam and also his views on the younger generation.

Medal of Honor Winner Highlights Men's Fete

Congressional Medal of Honor recipient Marine Sgt. Jimmy Howard, of San Diego, after emphasizing that everything he said would be his own personal views and nobody elses, dove into a discussion on the war and the younger generation during the noon luncheon of the Lemon Grove Men's Club last Friday.

He wasted no time on explaining his view of the younger generation, with comments including:

"We can't rate the younger generation by what we read in the papers today. I have nothing against the news media for they have their job to do. But all you read about is the hippies and "kooks', a group which is in such a minority, but one that has come to typify the entire new generation. This is wrong.

If it hadn't been for the youngsters in my reconnaissance platoon I wouldn't have been here right now. There were four of us over 21 when we left on that patrol with one 20-year old and the rest either 18 or 19.

I say that the kooks have a right to do what they want under the law, like demonstrations. But don't let this minority turn you sour on the rest of the boys.

The morale of the young fighting soldier in Vietnam is higher than it has ever been. A lot of this can be attributed to the rotation system, the boys knowing they will be going back to the states in 13 months."

Sgt. Howard gave his ideas on how a platoon should be run, insisting that it could be fatal to isolate particular members and not work as a team.

"I've been an athlete since the fifth grade and I believe strongely in teamwork," he explained.

Howard cited Archie Moore's ABC program, Any Boy Can, and the Up With People groups as outstanding examples of the good younger generation.

In his views on the political situation, Sgt. Howard believes there will always be a conflict between communism and democracy and if sensible sensible people don't get to people don't get together and work with each other we could find ourselves in another war.

When asked about his thoughts on the bombing of Viet Cong territory, Sgt. Howard ste rnly indicated his belief that it would fail in its purpose.

"As soon as we stop the bombing, the VC use the time to recover and send more troops into the fighting area of the south," he cited. "It happens everytime we stop."

Sgt. Howard said he won the medal because of 17 good troopers.

than the medal was given to than the madel was given to me when the four Navy Crosses and the 13 Silver Stars were awarded my men following my recommendation," a moved Howard said.

"It was a team effort and the whole team deserved recognition."

International Club Holds Reception

Foreign students of Grossmont College were recently honored at a reception given by the college's International Club. The reception, held at the La Mesa home of Grossmont College Vice President and Mrs. Erv Metzgar, was attended by more than 65 guests including Grossmont Junior College District Governing Board member Robert Dryden and Mrs. Dryden, President and Mrs. Harold G. Hughes, Vice President and Mrs. Robert N. Burnham, Dean of Technical Vocational Education C. Allen Paul, and Director of Nursing Miss Opal Thompson, all of Grossmont College.

In addition to the honored guests and members of the International Club, other guests included Mrs. Shirley Collamer, counselor for Grossmont College foreign students; Mrs. Sylvia Musik, college International Club faculty advisor; Mr. John Feare, Grossmont College counseling staff; Mrs. Marie James, language instructor at the college, and Mr. Don Shannon, Grossmont College history instructor.

Democrats Honor Deddeh

Nearly 300 people attended a fund-raising dinner honoring Wadie Deddeh Thursday night at the Kona Kai Club.

Deddeh is the Democratic state assemblyman for the 77th district. Based on attendance alone, the fund that was raised must have been substantial.

It was a more nearly non-partisan affair than most although Congressman Van Deerlin, in a direct wire from Washington via the public address system at the dinner, got in some hard knocks against the GOPs and some honeyed words about LBJ. The several Republicans in attendance took it in good spirit, however. These included the Honorable Richard Donovan, judge of S.D. Municipal court, who preceeded Deddeh as assemblyman, the Rev. George Walker Smith, a fine Republican who is a member of the S.D. School Board, and several Sacramento figures who represent state departments and commissions. Some of these confessed, almost apologetically, to being Republican, but admitted that Deddeh had added stature to the state legislature.

Deddeh, of course, is getting ready to run for re-election. He is viewed in Sacramento as a political oddity because, as an unknown, he wrested the 77th district from Republicans —a district that has a history of electing Republicans.

Deddeh was born in Baghdad and was graduated from the University of Baghdad. He learned to speak English after he came to this country. He also learned to admire democracy, a provable point that presisted in his character when he became a professor at Southwestern college in Chula Vista.

Political observers saw too many obstacles in Deddeh's way to win an assembly seat two years ago — a foreign born, political science teacher with an unbelievable name. He was running against a staunch Republican conservative, Paul Sutherland in a Republican stronghold district.

But he won.

Mostly by work.

Nearly every home in the sprawling 77th district was visited by Deddeh. Many of the homes had a political visitor for the first time ever, and residents were pleased.

At the Thursday affair, many persons showed their love for Deddeh, for it was that kind of a gathering. They also had a little fun with him, too.

Congressman Lionel Van Deerlin recalled that labor leaders rejoiced when Deddeh won the election. Van said a message was sen to Democratic leaders in Sacramento advising them Wadie Deddeh was being sent there from San Diego and as a result, labor's chores would be simpler.

Sacramento sent back a courteous replay thanking San Diego for the consideration, but what, they asked, is a wadie deddeh?

GOOD PROTECTION: Three members of the Brahmas Pee Wee Pop Warner football team protect the three candidates running for Homecoming Queen of the Los Toros Pop Warner Football assn. this Saturday at Mt. Miguel High. Running for queen are, left to right, Tammy Keyte, Carmella Alesi, and Diana Taylor. Providing protection for the girls are, left to right, Mitch Benson, Jim Alesi and Steve Houdlette. Activities begin at 4 p.m.

Atonement Is Topic

"Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins." (I John 4:10)

This is the Golden Text from this week's Bible Lesson on the "Doctrine of Atonement" to be read in all Christian Science churches on Sunday.

Guidance Leader Guest At Nursing Institute

Dr. Ralph Eckert, coordinator of counseling and guidance for the Riverside County schools, will be the feature speaker at the California School Nurses Organization Institute beginning at 8 a.m. Saturday at the Mission Valley Inn.

The institute will cover the theme of "Good Bye Birds and Bees, Hello Reality", with other speakers including Salley Williams, coordinator of Family Life Education in Anaheim and Mrs. John Stewart, vice-president of San Diego Family Service Assn.

Mrs. Lilliam Olson, 3885 Capitol st., Lemon Grove, is the chairman of the institute, which stresses the family life aspect of the sex education problem.

The local school nurses organization gathers once a year for its institute, with this year's topic spearheaded by the Sex Education Task Force in the Grossmont Union School District.

The group was organized in 1955 with its main philosopy in the belief that in order for the school nurse to best conribute to the community she must be up to date on all issues.

Dr. Eckert will speak to the group on "Sexuality and Attitude Development". He is the author of "Sex Attitudes in the Home" and he has contributed to the "Sex Education" and "Courtship and Engagement" sections of the recently published Encyclopedia of Mental Health.

Are you in? You are if you bowl during Heart Bowling Week October 8-14.

Monarch Students Close, But Short

Letters of Commendation honoring them for their high performance on the 1967 National Merit Scholarship Qualifying Test (NMSQT) have been awarded to four students at Monte Vista, Principal R. C. Brady has announced.

Those named commended students are Charles Downing, 4166 Citradora, Spring Valley; Tony Lambert, 4998 Resmar dr., La Mesa; Linda Nerthling, 3321 Cristobal way, Spring Valley, and Douglas Saltus, 10074 Cristobal dr., Spring Valley.

They are among 40,000 students in the United States who scored in the upper 2 percent of those who will graduate from high school in 1968. The commended students rank just below the 14,000 semi-finalists announced in September by the National Merit Scholarship Corporation.

Three Monte Vista students were earlier announced as semi-finalists. They were: Ann Hogan, Barbara Paine and Lee Inness-Brown.

CHURCH MEETING-PLACE: The Bancroft Baptist Church of Spring Valley will be the site of the 25th annual meeting of the San Diego Southern Baptist Association of California which begins this evening and runs through tomorrow night. An estimated 47 churches will be participating in the yearly event which has been awarded to the local congregation for the first time.

Valley Bancroft Baptists to Host San Diego Southern Meeting Today

The local Bancroft Baptist Church, with Lewis F. Ginn, pastor, located at Bancroft dr. and Tyler sts. in Spring Valley, will host the Annual Meeting of the San Diego Southern Baptist Association today and tomorrow.

This denomination has grown to be the second largest Church in number of congregations in San Diego County since the organization of their first congregation in the City of San Diego 25 years ago.

This will be the first time for the County meeting to be held in Spring Valley, as in previous years the faciliites of the Church were not adequate to accommodate the crowds. However, with the construction of the new sanctuary this year the Bancroft Baptist Church was chosen to entertain this annual religious meeting.

Moderate B. Wade McKinley, pastor of the Highland Avenue Church, National City, will preside over the four sessions of the meeting, beginning this evening, at 6:45 p.m. The highlights of the first session will be missions here in San Diego County. Two new congregations will be welcomed into the fellowship of the Association - Calavo Gardens Baptist Church, El Cajon, Jif Craig, moderator of the congregation and the First Baptist Church of Jacumba, J. O. McCaleb, pastor. This will bring the total to 49 churches affiliated with the Association.

The Association will also hear a report from Charles Foley, pastor of the First Southern Baptist Church of Clairemont that over 1000 people were baptized into the churches.

The Association will get its first report of the "Scott S. Graves Estate" — Mr. Graves was a mail carrier here in San Diego and one with an intense interest in the Gospel of Jesus Christ.

Richard G. Bryant, director of Metropolitan Missions, will bring a missionary message to conclude the first Session.

The other three sessions of the meetings on Friday will hear S. G. Posey, Executive Emeritus of the Southern Baptist General Convention of California at "Bible Time". He will give devotional messages to begin the meetings.

The second Session begins at 10 a.m. Friday morning, and the feature of this session will be an annual message delivered by Pastor Eugene Slone, Calvary Southern Baptist Church, Linda Vista. This session will also hear fraternal greetings from other Baptist groups and reports from departments of work in the Association.

The third session will feature a message from Phil Tilden, a faculty member of the California Baptist College at Riverside. He will speak to a report on California Institutions that not only includes the College but the California Baptist Foundation and the Child Care Program.

The final session will be highlighted by a message from Moderator B. Wade McKinley and Mr. Richard Kay, Associate Executive Secretary of the Southern Baptist General Convention of California at Fresno.

Following these messages, Richard G. Bryant will introduce and present the new workers and their families to the Association. A reception and fellowship time will follow.

Adoption Booth Open In Mission Valley

"Get the facts from those who have experienced adoption" will be the Theme of the Adoption Booth at Mission Valley Center this Saturday. Parents who have adopted through Adoption Services of San Diego County will be on hand to answer questions and share their experiences from 10-5.

As a service to children waiting for adoption and to those persons who want to talk to someone who has had the experience, several adoptive parents have volunteered their time to make information about adoption available. They will have brochures and photographs of some of the children waiting for families.

Erdy Services Held

Funeral services for Alvin J. Erdy, 43, of Sweetwater Lodge, Space 177, Spring Valley, were held Tuesday at Greenwood Mortuary, with cremation following. He died at his home Oct. 7.

A native of Ohio, Erdy had lived in San Diego County eight years. He had served in World War II in the Marine Corps as a sergeant. He worked as a production foreman at National Steel Co. Survivors include his widow, Anna Elizabeth Erdy; a daughter, Judith Ann Gawne of Spring Valley; a son, Jan H. Gawne of Spring Valley; his mother, Mrs. Elizabeth Erdy of Ohio; two brothers and three sisters.

Senior Citizen Guest

The W.S.C.S. (Women's Society) of Foothills Methodist Church, will meet next Thursday at 11 a.m. at the church. Guest speaker will be Mrs. Barbara Bright of the La Mesa Senior Citizens Club, who will be speaking on "Senior Citizens." A luncheon will follow the meeting.

Former Resident Weds in Kansas

A former Brookside (La Mesa) girl, Fontelle Golden, daughter of Mr. and Mrs. Dick Golden, was married recently in Concordia, Kan. The groom was John Rudolph of that area. The bride is a former student at Mt. Miguel High School.

Word of the wedding was brought back by Dick Golden, well known in the Spring Valley area as having worked for several years with Little League and Pony League baseball. Golden said the bride and groom plan to live (for a while) at Ponca City, Okla., and then to join her brother Richard Golden Jr. and his wife, Glenda Sue, in Gibson, La.

AREA BIRTHS

Lemon Grove-Spring Valley area births for the week of Sept. 23 through Sept. 27 have been released by Grossmont Hospital. They were:

Sept. 23, to Mr. and Mrs. Guy Davis, Spring Valley, a boy, 9 lbs.

Sept. 24, to Mr. and Mrs. Roger Hulsey, Spring Valley, a girl, 7 lbs., 7 oz.

Sept. 25, to Mr. and Mrs. Robert Young, Lemon Grove, a boys, 6 lbs., 4 oz.

Don Diego Brass Due

A Mardi Gras Carnival is being planned by the new officers of the Casa de Oro PTA. The event is scheduled for Oct. 31 and will offere traditional games, prizes, and costume judging.

A catered banquet, "Bit of Sweden" will precede the Carnival. Live music by the Don Diego Brass ensemble will be featured, according to PTA president Mrs. J. Del Nerro.

Reservations for the banquet should be made through Mrs. Howard Henderson at 469-4328.

McKee Guest At Baptist

The First Baptist Church of Lemon Grove, 2914 Main st., announces that Bill McKee will speak at the 10:50 a.m. worship service this Sunday.

Mr. McKee is contemporary, provocative, candid. He was selected as one of the "outstanding young men of America" for 1967, is the author of "Wipeout", is on the staff of Overseas Crusades, and a member of the renowned "Venture for Victory" basketball team.

He has been in the San Diego area the past week as speaker at "Dare 67", a Youth for Christ sponsored event. Mr. McKee's messages were well received by high school and college age youths. Rev. Robert E. Kleinschmidt, pastor of the church, said area young people and their parents are invited to hear Mr. McKee.

Local Church Aids Areawide Campaign

The Rev. M. B. Walker, minister of the Lemon Grove congregation of the Church of Christ, has been named chairman of the physical arrangements for the statewide campaign of Churches of Christ.

The campaign will be held nightly in the Civic Concourse at 7:30 p.m. October 15-22.

The featured speaker each evening will be George Bailey, an evangelist who has conducted campaigns in sixty countries.

The San Diego area wide campaign will be supported by 20 congregations but are open to all denominations. No collections will be taken, nor will contributions be requested. There is no admission charge. Free validated parking tickets may be obtained by calling 466-3861.

The campaign costs, said Mr. Walker, have already been underwritten.

The theme for the campaign is "A More Excellent Way."

Conference Speaker At Casa Baptist

Casa de Oro Baptist Church, 10195 Madrid way, Spring Valley, has scheduled a seven-days "Prophetic" conference, Oct. 15 through 22. Special music is being arranged and the Conference speaker will be the Rev. LeRoy Gager, whose general text will be "Your Bible and Tomorrow's News."

The week's program has been arranged as follows:

Sunday, Oct. 15, 11 a.m., and the message, "Daniel's Prophetic Outlines." At 7 p.m., the message will be, "Jeane Dixon's Prophecies."

This Sunday

The poet, T. S. Eliot, has written the following epitaph for our culture: *"Here were decent godless people; their only monument the asphalt road and a thousand lost golf balls."* This emptiness cannot be filled with frenzied activity. Fulness and meaning of life can only come when one is claimed by God's dynamic will—to restoration for man in Christ.

Judith Midose

ENGAGED: Mr. and Mrs. John M. Midose, 3117 Crane st., Lemon Grove, announce the engagement of their daughter, Judith Ann, to Craig E. Stamper, son of Mr. and Mrs. Leo Stamper, of La Mesa.
The wedding date has been set for Saturday, Nov. 11 at the Lemon Grove Methodist Church on Washington st. with the Rev. Strathdee performing the ceremony. A reception will be held at the Admiral Kidd Club.
Judith is a 1967 graduate of Mt. Miguel High, while the future groom graduated from Mt. Miguel in 1964 and attended Grossmont College.

Bancroft House Landscaping Aided by Historical Society

Mrs. Eileen Smith, vice president of the Spring Valley Historical Society, reported results of an interesting meeting on Oct. 4. She said plans were discussed for the landscaping of the surrounding area of the old adobe house (Bancroft Ranch House) and that Boy Scout Tom F. Webster, son of Dr. and Mrs. Tom Webster, had volunteered his services to help with the planning of the work. Young Webster is a member of Boy Scout Troop 319, sponsored by the PTA of Lemon Avenue School.

Also at the meeting it was brought out that tickets are now on sale at 50 cents or three for $1 whereby some lucky person will be the owner of a set of Bavarian china, the set to be presented at the Nov. 1 meeting of the Historical Society. Tickets may be purchased from any member of the Society. For full information phone Mrs. Ethel Koonce, 466-5622.

Mrs. Smith said Society members, Mr. and Mrs. Ted Phillips, had recently attended a tea of the San Diego Historical Society and had met some former Valleyites; Col. and Mrs. John Lake and Anne Bricknell. The three visited the S.V. Historical Museum. They also brought along several pictures of early Spring Valley.

Mr. and Mrs. Phillips have contributed several issues of the magazine "The American West". a publication of the Western Historical Association, to the S.V. Historical Society. The magazines contain a lot of information regarding this area. Mrs. Smith said the Society plans to lend the books to local interested persons, on a library-type basis.

Ed Leoffler, a San Diego photographer, was at the Oct. 1 meeting and took several pictures of the Society officers and some "shots" of the old adobe. He said he is extremely interested in promoting the 200th annual San Diego celebration in 1969.

Spring Valley Society president, Luke Barbour, said the local Society wants to have a part in San Diego's celebration. and appointed a committee to begin formulating plans for the 1969 event. The committee consists of Mrs. Tom Webster, chairman; Mrs. Bill Zabel and Mrs. Robert Graham.

Baha'i Public Meet

The Baha'is of the El Cajon Judicial District are sponsoring a public lecture in the La Mesa Woman's Club, 5220 Wilson st., Saturday evening at 8 p.m. Fred Schechter, international Baha'i teacher, will speak on "Baha'u'llah—His Call to the Nations."

'Woolf' Opens Run Thursday At Grossmont

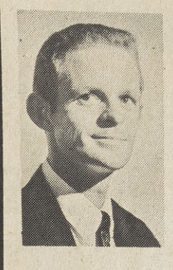
The Griffin Players of Grossmont College will present Edward Albee's "Who's Afraid of Virginia Woolf"? in their new Stage House Theatre next Thursday through the 21 and 26 through 28. This dramatic satire will be under the direction of Martin Gerrish with set designed by James W. Baker.

"Who's Afraid of Virginia Woolf"? will feature performances by Dixie Wade, El Capon, as "Martha"; Cliff McDonald, San Diego, as "George"; Kathy Harvey, El Cajon, as "Honey"; and Richard Fickett, also of El Cajon, as "Nick."

The successful, prize winning Broadway production of this play proclaimed the author as a major American playwright. The play is concerned with the psychologically explosive problems of two faculty couples at a small midwestern college as it probes relentlessly into the truth of their existence.

Curtain time is scheduled for 8:15 p.m. with the price of a single admission set at $1.50. As a special service this year, the Grossmont College Communication Arts Department is offering season tickets at a reduced price. Season tickets will be good for "Who's Afraid of Virginia Woolf"?, "Ernest in Love," the "Three Original One-Acts" chosen from the First Original One-Act Play Contest sponsored by the Communication Arts Department, and "The Girls in 509." Season tickets will cost $4.50 for the four productions. Reservations for single performances or season tickets may be made by calling 465-1700, extension 270. Season ticket holders will have reserved seating at all performances.

NOBODY KNOWS MY AILMENTS



"Dr. Marcy, I've been to many doctors, but none of them seems to know what's the matter with me."

This has been the patient's opening remark so many, many times in our office. He or she, arrives fully convinced that something terrible is wrong, but that all doctors are duds because none of them have been able to make the correct diagnosis or prescribe the right treatment.

In my articles we frequently quote research scientists who agree with us that your head, heart, stomach, or kidneys, etc., could hurt as a result of pinched or irritated nerves.

Regardless of what your condition has been diagnosed, or called, your chiropractor looks for, and usually finds the trouble in the spine — spinal curvature, vertibral displacements, etc., which interfere with normal distribution of nerve energy and Nature's intelligent control of all bodily functions. These spinal misalignments must be corrected and nerve lines set free before you can enjoy permanent relief from mysterious pains.

All sickness has a cause. The sickness is merely an effect. To get well the cause must be removed. This case from my files will illustrate my point:

After four years of almost daily headaches and shaky, tired, worn-out, crying spells, this thirty-nine-year-old minister's wife decided to try the MARCY CHIROPRACTIC OFFICE after several other doctors' efforts failed. I found her extremely nervous, irritable, and jumpy at the slightest sound. She also complained of nagging low backaches and tension pains in her neck and shoulder that interfered with her sleep. She had difficult periods, hot flashes, frequent urination, indigestion, gas pains, shortness of breath and chest pains.

My nerve instruments located nerve blockage in several areas of her spine and X-Rays enabled me to make proper corrections. As the nerve pressures were removed, Nature restored normal function and her miserable symptoms gradually disappeared.

This amazingly successful case history is not a blanket guarantee for anyone. Yet, such outstanding results are behind the modern trend toward chiropractic. If you are still suffering in spite of your efforts, investigate. It only takes a few minutes to see what nerve interferences are causing your symptoms. What can you lose except your ill health?

Watch for next week's article.

Hardison's Telespanish

by James Hardison

Most masculine words end in the letter "o." Feminine words usually end in the letter "A." Consider the word "sombrero" (hat). The last letter in this word is "O," which tells us it should be a masculine word. The word "rosa" (rose) ends in "A" which indicates that it is a feminine word.

Masculine words use masculine articles and feminine words use feminine articles. The masculine article, "el" (the), is used with "sombrero" to say "el sombrero" (the hat). The fefinine article "la" is used with "rosa" to say "la rosa" (the rose).

Some other feminine words are "casa (house and "pera" (pear). These words use the feminine article "la" (the), thus "la casa" (the house) and "la pera" (the pear). Examples of masculine words are "piano" (piano) and "plato" (plate). These words use the masculine article, "el" (the), and appear as "el piano" (the piano) and "el plato" (the plate).

Words that modify words ending in "O" or "A" usually end in "O" or "A" also. Consider the word "bonita" (pretty). When this word modifies "senorita" it ends in "A" as in "la senorita bonita" (the pretty young lady). The word "bonita" (pretty) when used to modify "sombrero" (hat) must end in the letter "O", thus "sombrero bonito" (pretty hat).

Today's practice phrases contain only feminine articles and words for the most part of the exercise. Practice saying them when you dial 276-2762 on your phone.

Say "Es bonita la senorita?" (ehs boh-NEE-tah lah sehn-yohr-REE-tah)
for "Is the young lady pretty?"

Say "Si, la senorita es bonita." (SEE lah sehn-yohr-REE-tah ehs boh-NEE-tah)
for "Yes, the young lady is pretty."

USEFUL PHRASES

Say "Es blanca la rosa? (ehs BLAHN-kah la ROH-sah)
for "Si, la rosa es blanca. (SEE lah ROH-sah ehs BLAHN-kah)
for "Yes, the rose is white."

OTHER PHRASES

Say "La pera es una fruta." (lah PEH-rah ehs OON-nah FROO-tah)
for "The pear is a fruit."
Say "La rosa no es una fruta." (lah ROH-sah noh ehs OON-nah FROO-tah)
for "The rose is not a fruit."

HERE IS THE PROBLEM:

4,692 ⟌ 3,997

How Do You Divide 4,692 into 3,997 Without Fractionating the Result?

Take the anticipated enrollment for 1968-1969 for Mt. Miguel high school (2,652) and Monte Vista high school (2,040) and you've got 4,692 students. Right?

Facilities exist at Mt. Miguel high school for 2,188 students; at Monte Vista, 1,809. So you've got to divide 4,692 students into facilities to accommdate 3,997. You can't do it on a One-for-one basis unless you add 695 to the facilities.

That's where the bond issue comes in. To alleviate double sessions and disrupted classes, two thirds of all the voters at the October 17 election must vote "yes" and obligate themselves for a total bond cost of $1.50 - $3.00 a year.

VOTE "YES" OCT. 17

7 a.m. to 7 p.m.

695 students on double sessions or without adequate facilities is just the basic problem. These youngsters will be competing with 695 other students normal hours of educational privileges. From there it backs up into the whole educational program—and all the youngsters suffer.

The total yearly cost for property worth $20,000 is $1.50-$3 . . . less than the cost of a ticket to a professional sports event . . . or a dinner for one . . . or a carton f cigarette. Vote "Yes".

WHAT DO THE EDUCATORS SAY?

VIRGIL DUEA, Principal
Mt. Miguel High School

The projected enrollment at Mount Miguel High School for September, 1968, is in the vicinty of 2650 which is an increase of approximately 250 students more than there are in attendance at the present time. The lack of facilities even this year has affected our students in that it was necessary to schedule freshmen athletics for 7 o'clock in the morning. The cost of the temporary units in use this year has greatly curtailed much needed repair and improvement of our present facilities.....

Preliminary planing for a definite double session for next fall indicates that students will be affected in many ways: Mount Miguel will be a "divided house" . . . sophomores, juniors, and seniors are scheduled for the morning session, whereas the frosh will attend classes from 12:30 to 5:45. At this point it is difficult to name even ONE area of this high school's program that will not be affected in one way or another. Our music program, both instrumental and vocal, is in great jeopardy; the athletic program will be greatly affected in that it will be necessary for freshman games to be played either on late Thursday afternoons or on Saturday mornings; our championship speech team will suffer tremendously; the entire curriculum will be affected due to the unavailablity of mixed grade level enrollment. These are just a few areas, not to even mention student body government, student council, assemblies, pep rallies, newspaper and yearbook publication, and so on and on. These are the problems facing us next year. Must we continue to LIVE with them? Parents, it is YOUR responsibility. THE BOND MUST PASS!

MRS. ANNE VON DER MEHDEN
MRS. CLAIRE TREMAINE
Mt. Miguel High School

Failure to pass the Grossmont District bond will have serious, detrimental effects on the curriculum of the district. Unfortunately these effects are not a publicly dramatic as some of the crying needs of the district, such as lack of sanitation or safety hazards, but they are just as serious to the education of the students. By far the greatest effect is overcrowding in classrooms. Large classes result in decreased learning and the learning process becomes impersonal and abstract (teachers cannot give individual help).

Not only are classes overcrowded, but the district is forced to restrict the schedule of the students. Large study halls are an efficient way of taking care of a large number of students — so they are made mandatory for all but the very best students. This means that students are restricted to four classes plus a study hall and physical education, leaving no time for electives or make up, not to mention enrichment. Academic students who are going to college must take a solid program of academic classes or go to summer school. The student with marginal ability may go through his four years of high school and discover that college is not within his capabilities, yet he has never been allowed to sample any vocational or business classes. Many end up prepared for nothing at all. If they are allowed electives along the way, the options would not be so unknown. But the district simply does not have room to allow it.

Perhaps the area most affected by the lack of facilities is the science departments. Most of the school do not have sufficient up-to-date laboratories for the existing courses. With the population increase, there will not be enough labs. Science teachers and the district curriculum committee agrees that more science courses should be required for intelligent living in our technological age. It is now possible for a student to pass through our high schools with only one course in health.. However, additional courses cannot be offered on a large scale because there is no place to teach them.

Vocational education is another area which is in need of more facilities. The invention and widespread use of new materials and new machines in industry and business create a need in the schools. The curriculum must be expanded to include these materials and machines which the student will encounter when he enters the world of work.

Three years ago the teachers of the district agreed that the number one curricular need of our schools was a better reading program. Without the ability to read well a student is handicapped in any field he may enter. There are modern ways of teaching reading to adolescents, but they require space. Since reading rates and abilities are highly varied by the time a student reaches high school, the proper teaching of reading should be done in a laboratory which has machines for small groups and individual study areas—as well as a conventional classroom. A district plan was developed but has not been fully implemented because of the lack of space.

Most of our schools are operating in plants which were originally designed for far fewer students. Mt. Miguel was designed for 1800. Several classroom buildings have been added to accommodate a stated capacity of 2,188, but the enrollment for 1968-69 will reach 2,652. This means such facilities as the library will be woefully overtaxed. The accreditation standards set for library require the school to keep pace with more books but there is no more room. This could well result in losing the accreditation for some of our high schools.

The general overcrowding caused by fitting 2652 students into a plant originally designed for 1800 maens that there are about 45% more students using the basic facilities like the cafeteria and the rest rooms. This has reached a critical point in some areas. There are not enough stations to go around in thes homemaking department. The gym lockers and shower areas have become so crowded that they no longer accomplish their original purpose of security and health.....

Perhaps the saddest thing about these pressing needs is that some of the less demanding needs are overlooked. One of the most frustrating things to teachers is to know that they could do a better job, but they do not have the space or equipment. The newest innovations in the teaching of mathematics, for instance, entail the use of computers and video tapes. They have been recognized by the staff, but completely neglected for lack of funds.

Thus, the dilemma.

R. C. BRADY, Principal
Monte Vista High School

It is utter foolishness and a waste of precious tax dollars to plan only for today. We MUST have a successful bond election on October 17 so we can plan and build over the next five years to handle student population increases which are coming as sure as night follows day.

Monte Vista is the fastest growing school in the district. Since we opened in 1961, our enrollment has more than doubled (from 900 to 1880 this fall). Our school was built to handle 1808 students and we will have about 2070 next fall. We are packed in this year and MUST go to either double sessions or an extended school day next fall!

A local citizens' committee met last spring and worked up the following plan for use of bond funds to meet our greatest needs:

a. A modern science laboratory to stimulate individual student lab work and expand our science program.
b. A large multi-purpose room with soundproof moveable walls to provide four classrooms when closed, and an inside eating and large group meeting or study room when opened (we currently have no cafeteria).
c. A little theatre-type elevated seating facility for large group-small group instruction, drama productions, or group meetings.
d. Four basic classrooms for use as needed.
e. Planting of exposed banks to eliminate severe erosion problems.

Inflation means that the longer we wait, the less value we receive per tax dollar. The cost is low! The time is now!

CADET HAMILL

U.S. AIR FORCE ACADEMY, Colo. — Cadet George G. Hamill, son of Mrs. Irene L. Hamill, of 8768 Lamar st., Spring Valley, is one of more than 900 cadets who have started their sophomore year at the U.S. Air Force Academy.

During the past summer, Cadet Hamill and other members of the class of 1970 completed an intensive six-week training program at the academy and armed forces installations across the country.

In the summer program the cadets were trained in survival techniques and base defense tactics in the rugged Rampart Range area near the academy.

This was followed by a combat course in infantry weapons at nearby Ft. Carson, Colo.

The final three weeks of summer training was conducted at several bases where the cadets got a first hand look at operational Air Force units and aircraft.

The cadet will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

Cadet Hamill is a 1966 graduate of Mount Miguel High School, Lemon Grove, where he lettered in track and cross country.

USS FRANKLIN D. ROOSEVELT — Commissaryman Third Class Robert W. Sendrey, USN, son of Mrs. Audrey M. Sendrey, of 7431 Daytona ave., Lemon Grove, is in the Mediterranean aboard the attack aircraft carrier USS Franklin D. Roosevelt.

This is the 17th deployment to the Mediterranean for the carrier during the last 22 years.

The FDR has spent more time "on station" in the Mediterranean than any other carrier in the Navy.

Other milestones in the carrier's history include winning three Admiral Flatley Aviation Safety Awards and being the first aircraft carrier to operate jet aircraft (1946).

During this deployment the carrier will participate in various Sixth Fleet exercises and joint exercises with other NATO country ships.

Punt, Pass, Kick Competition Sponsored by Pat Grove Ford

More than 25 Lemon Grove boys, eight through 13 years of age, are eagerly awaiting the opening gun at 1 p.m. this Saturday when the 1967 Lemon Grove Punt, Pass & Kick Competition gets under way.

The public is invited to watch these young entrants punt, pass and place-kick their way toward one of the eighteen handsome trophies awarded by Pat Grace Ford to first, second and third place finishers in each age group. The Lemon Grove competitions are being held at Lemon Grove Junior High School.

These Lemon Grove competitors will be testing their football skills at the same time as thousands of others their age compete throughout the country. Local first place winners will go on to Zone competitions and then, hopefully, to District, Area and Division contests on the way to the National Finals.

Top performers in each competition receive suitable trophies and runner-up certificates, with Area winners competing in NFL stadiums with their dads in attendance and Division winners going on a "Tour of Champions" with both mother and dad. The "Tour of Champions" begins in Washington, D.C., and is climaxed by the appearance of the Division winners in Miami, Florida's Orange Bowl during the NFL Play-Off Game on January 7th, for the National finale, which will be televised nationally.

Stop ironing.

Use an automatic dryer and permanent press.

Permanent-press can make your "no-iron" dream come true. But not by itself. As clothes manufacturers state—to get the best possible results, you need an automatic dryer. Drying heat causes treated fabric fibers to soften and relax—wrinkles disappear. After tumble-cooling, shirts and slacks go right to a hanger. Sheets, linens and drapes are ready for use. Just think of the extra time you'll have after you turn ironing chores over to your dryer. You're smiling? Why not, you're ready to save over four ironing hours each week.

Pop Warner Homecoming Events Include Battle of Top Teams

Homecoming activities for the Los Toros Pop Warner Football Club are scheduled for Saturday, beginning at 4:00 p.m. Games will be played by each of the teams with many exciting activities between regular play.

At 7 p.m. will be the presentation of the "Homecoming Queen" candidate followed by the crowning of the queen.

Candidates from the cheerleading squads representing each team, were selected by the boys on the teams. Those selected as candidates are Tammy Keyte from the Midgets; Carmella Alesi from the Brahmas; and Deana Taylor represeting the Longhorns. The girls are selling Los Toros Football decals with each decal representing a vote. The girl selling the most decals will be crowned queen with the two runners-up serving as princesses.

Other between game activities will include entertainment by several local bands, a noted television announcer and Emil Karas, one of the famed Chargers. Letters are being mailed to former boys on the Los Toros teams to return for the Homecoming activities.

The Midgets will be playing La Mesa at 8 p.m.; the Brahmas will play Balboa, and the Longhorns will play San Dieguito. All will be exciting, but both the Brahmas and Balboa are undefeated and will be playing for the championship.

Saturday's play showed outstanding defense for both the Longhorns and the Brahmas on their own field at Mt. Miguel Stadium.

The Longhorns (Pee Wee North) defeated the team from Alvarado in a score of 12 to 8. Alvarado scored a safety and a touchdown in the first quarter with the Longhorns' Richardson going around left end for their first score in the game.

At the half the Longhorns were behind 8 to 7. Richardson came back in the third to score again. The game ended with a final score of 12-8. The Longhorns dominated play from the first quarter.

NOTICE INVITING SEALED PROPOSALS

Pursuant to the provisions of the Improvement Act of 1911 and to Resolution Ordering Work adopted on September 19, 1967, by the Board of Supervisors of the County of San Diego ordering the work described in said Resolution,

NOTICE IS HEREBY GIVEN that the Clerk of said Board of Supervisors will receive up to but not later than 2:00 o'clock p.m., of the 19th day of October, 1967, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit:

The construction of sewers, manholes and appurtenances in ZEMCO DRIVE, et al in the Vicinity of LEMON GROVE in the unincorporated area of the County of San Diego, Area No. 210

Such bids will be received in the office of the Clerk of said Board of Supervisors, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California. Two o'clock p. m. on October 19, 1967, in the Chamber of the Board of Supervisors in said San Diego County Administration Center, is the time and place fixed by the Clerk of the Board of Supervisors pursuant to said Resolution Ordering Work for a public meeting at which said sealed proposals or bids for doing the work and improvement will be opened, examined and declared.

The Resolution of Intention adopted by said Board of Supervisors on August 15, 1967 is hereby referred to for a description of said work and improvement, the grade to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, the bonds to be issued and for all further particulars contained in said Resolution of Intention. Reference is hereby further made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 391188 in the office of the Clerk of said Board of Supervisors, in accordance with which said work shall be done. The estimated cost of the acquisition of necessary lands, easements and rights of way to be advanced in accordance with Section 5256 of the Streets and Highways Code is $3,171.00.

Copies of plans, forms of proposals, bonds, contract and specifications may be obtained at the office of Warren A. Barney, 5555 Overland Avenue, San Diego, California 92123, for the sum of $8.00. Said payment is not refundable.

The said Board of Supervisors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as set forth in the Resolution adopted by the Board of Supervisors on May 16, 1967, item number 89; said resolution is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, and said resolution is incorporated herein by reference as though fully set forth herein.

The said Board of Supervisors reserves the right to reject any or all bids and to waive technical errors and discrepancies if to do so seems to best serve the interests of the County of San Diego.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work and shall not at any time after submission of the bid or proposal dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be on the forms of proposals and bonds as prepared by the County of San Diego and shall be accompanied by a certified or cashier's check, payable to the order of the County of San Diego, or a bond, as is required by law, for an amount not less than ten percent (10%) of the aggregate of the proposal.

Dated: September 19, 1967.

RESOLUTION OF INTENTION

On motion of Director Austin, seconded by Director Dent, the following resolution is adopted:

WHEREAS, this Board of Directors heretofore designated the Diretcor of Special District Services of the County of San Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; and

WHEREAS, the Engineer has furnished to the Board of Directors plans and specifications for the construction of a sanitary sewer system in a portion of the Spring Valley Sanitation District, together with careful estimates of the costs and expenses of such construction which are on file in the office of the Secretary of said Board of Directors. NOW THEREFORE,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Directors of the Spring Valley Sanitation District (hereinafter referred to as the "Board of Directors") to order the following work to be done and improvement to be made in said Sanitation District, to wit:

The acquisition of easements and rights of way for the hereinafter described sewers, manholes and appurtenances;

The construction of sewers, manholes and appurtenances in rights of way, including public streets, as shown on the "Map of Assessment District" recorded in the office of the San Diego County Recorder as Document No. 152286, on October 3, 1967, and as shown on the following copy of said "Map of Assessment District":

All of said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor contained in Document No. 392547, on file in the office of the Secretary of said Sanitation District, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, and copies of which are on file in the office of the said Engineer and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof. For a detailed description of the easements and rights of way to be acquired reference is made to the aforementioned plans, drawings and specifications.

The said Board of Directors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the last date for payment of assessments, as specified in the statement provided by Section 5390 of the Streets and Highways Code of the State of California. Said statement shall be mailed to each property owner within the assessment district at least thirty (30) days prior to the last date for payment of assessments. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six per cent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid, until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five per cent (5%) of the unmatured principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Directors, of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Directors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map bearing Improvement Act Area No. 217 indicating the exterior boundary lines of such district, which map, approved by said Board of Directors, is on file in the office of the Secretary of said Board of Directors as Document No. 392548, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Directors has heretofore directed the Superintendent of Streets, in accordance with Section 5254.5 of the Streets and Highways Code, to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by said Board), and has fixed the sum of $25.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Directors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Monday, the 23rd day of October, 1967, at 10:00 o'clock a.m., in the Chamber of said Board of Directors of the Spring Valley Sanitation District, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Directors and show cause why said proposed improvement should not be carried out in accordance with this resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested sufficient to identify the same, and shall be delivered to and filed with the Secretary of said Sanitation District in Room 306 of said San Diego County Administration Center, not later than the hour hereinabove set for hearing. No other protests or objections will be considered. If the person signing the protest is not the owner shown on the last equalized assessment roll, the protest must contain, or be accompanied by, written evidence that such signer is the owner of the property.

The Secretary of said Sanitation District is hereby directed to cause this Resolution of Intention to be published twice in the Spring Valley Bulletin, the newspaper hereby designated for that purpose by this Board of Directors.

The Secretary of said Sanitation District is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County assessment roll, or as known to said Secretary, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Secretary of said Sanitation District, shall, upon completion of the mailing of said notices, file with this Board of Directors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three (3) in all, notices of the passage of this Resolution of Intention, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Secretary of said Sanitation District an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

PASSED AND ADOPTED by the Board of Directors of the Spring Valley Sanitation District, County of San Diego, State of California, this 3rd day of October, 1967, by the following vote:

AYES: Directors Gibson, Boney, Dent, Austin and Cozens
NOES: Directors None
ABSENT: Directors None

Princess Maryam

Islamic Leader Exchanges Ideas With Grove Catholic Daughters

"Princess Maryam", a leader of the Islam faith in India, and influential head among the women of her country, visited with the members of the Court of Teresa of Avila No. 1580, Catholic Daughters of America at the home of Mrs. Frank Grundler of Lemon Grove last Thursday.

The Princess is on the last leg of a ten-month tour of women's organizations, schools, and colleges across the country. Later in the month she will begin her journey home by way of Montreal, New York, London and Bombay.

She has been visiting extensively in this country to acquire ideas for Islame women's organizations. She has opened 18 programs for Islame women in her country, stressing the areas of health, cooking, sewing, history, geography, English and other subjects.

"Women's groups are better organized in the United States then they are in my country," stated Princess Maryam. "This seems to be the key, organization. This is what we are lacking and the main idea I hope to pass on to my women."

"One of the most important aspects which I have come to appreciate while watching women's groups in this country is that each woman has a particular job to perform for the group."

"I have visited various women's groups across your nation and I particularly like the idea of the small neighborhood groups," she added.

The Princess was also impressed by the American educational system and she was able to pick up many ideas about our system which she hoped to pass along when she returned home.

"I like the idea of children getting into science so much earlier in their school careers," she explained. "Science is a most important subject and it should be stressed."

"The curriculum of the schools is better over here, also," she continued. "The fact that each individual schools can adopt its own curriculum to fit the needs of the students and the community is a good system. It isn't something which is centrally controlled."

Princess Maryam is a leader in the Islam faith, having trained under her father, the late Dr. Syedna Taher Saifuddin of Dawooki Bohra Community in Islam. She is a graduate of the university, Uljamea Saifya at Surat, near Bombay. She lectures in philosophy to Islamic followers.

Her father was the 51st in succession from Prophet Mohammed and was addressed "His Holiness" by the million and a half Islamic people who were his followers. He was chancellor of Aligarh University before his death a year ago. His Holiness Dr. Syedna Mohammed succeeded his father as religious leader.

The Princess and her daughter-in-law, Farida Exxudin, along with members of the local Catholic Daughters of America chapter, enjoyed an evening exchanging cultural, religious and social ideas.

"Lemon Grove is a very pretty town," complimented the Princess. "I like the idea of all the different homes mixed together. It gives a good community atmosphere."

THE ROYAL GROUP: Princess Maryam, left, a leader of the Islamic faith in India, and Farida Exxudin, her daughter-in-law, are guided on a tour of Lemon Grove by Mrs. Josephine Ross, member of the Court Teresa of Avila No. 1580, Catholic Daughters of America. The Princess is completing a 10-month tour of the United States. She has been studying the workings of women's organizations in this country.

Former Grove Grad Receives Heroism Medal

Former Lemon Grove resident and Mt. Miguel graduate specialist Alfred H. Sledge, 22, received the Soldier's Medal for rescuing a drowning officer last December near Nha Trang, Viet Nam.

The medal is the highest noncombative honor in the Army.

Sledge, son of Mr. and Mrs. Herman M. Sledge, 2381 N. Harrison st., San Bernadino, and formerly of 1972 Fairhaven st., Lemon Grove, swam through rough water to rescue an officer who had been swept out to sea while swimming at the Special Services beach near Cam Rahn Bay.

Grossmont Student Wins Boxing Crown

Rolando Becerra, a second year foreign student at Grossmont College and a native of Tijuana, recently won the featherweight crown in the Tijuana Golden Gloves Tournament held at the Blue Danube Arena in the Border City. Becerra eliminated seven other boxing hopefuls in winning the top spot in the 126 pound class.

School Board Action Held For Next Meeting

The Lemon Grove school board deferred most decisions at its Monday night meeting, awaiting the return of two of its five members.

The matter of approving additional raises for teachers and classified personnel, and budget reinstatements will be on the Oct. 23 agenda. Additional increases were asked when more funds came from the state than the board had anticipated.

Held over, also, is the matter of an override tax election. The present $1.99 override rate expires in June, 1968 and an override election would be held in January.

The board agreed that the election is necessary but official action was deferred.

Foothills Council To Tour Grossmont

The Foothills Secondary Council will have a Presidents' and Executive Board Meeting October 25 in the "Board Room" at Grossmont Junior College, 8800 Grossmont College dr., El Cajon.

John A. Burdick, dean of Student Activities, will conduct a tour of the Jr. College, leaving from the main entrance at 11 a.m. This tour is open to the public. Following the tour, those wishing to stay for Luncheon must call in their reservations by October 23 to any of the following: Mrs. Don Hunsaker, 448-1033; Mrs. M. I. Metzger, 442-8325 or Mrs. Wm. F. Blanchard, 469-7024.

The Foothills Secondary Council, at their last meeting, agreed to endorse and actively support the Grossmont Bond election on October 17, 1967.
